Dear Mr. Frame:

Writing in behalf of the technical review team from the Division of Oil, Gas and Mining, I would like to express appreciation for your efforts to conduct the November 23, 1982, tour of SUFCO #1 Mine and facilities. The tour was well organized and gave the staff a brief opportunity to have questions about the mine plan and operations answered.

It is felt that the tour will be a valuable aid during the current review of SUFCO's Mining and Reclamation plan by the Division. Again, thanks for your time and feel free to contact us if you have any questions.

Sincerely,

RICK SUMMERS  
RECLAMATION HYDROLOGIST
