Dear Mr. Smith:

Attached please find a copy of Southern Utah Fuel's subsidence tables and maps. These were prepared to update our current subsidence report through 1982.

It is our understanding that DOGM handles distribution of the appropriate copies to the OSM in Denver, Colorado, the MMS in Salt Lake City and the U.S. Forest Service in Richfield, Utah. Therefore, nine copies have been prepared for your convenience.

If there are any questions concerning this submittal, please contact me.

Sincerely,  
SOUTHERN UTAH FUEL COMPANY

John R. Frederick  
Project Engineer
