Dear Mr. Smith:

A revised certification of liability insurance, as requested in your August 2, 1983 letter, was recently sent to your office in our mine plan completeness response. It can be found in volume 8, page 7A. It was included in the plan as required by UMC 782.18 and updated the previous certification submitted to your office in 1979. You will note that the certificate incorporates the required cancellation provisions.

If you have further questions after reviewing the document in our recent completeness review response, please call me. We will be glad to send additional information as required.

Yours very truly,  
SOUTHERN UTAH FUEL COMPANY
