Dear Mr. Daniels:

The enclosed amendment to our Southern Utah Fuel Company Mining and Reclamation Plan is provided in response to your December 26, 1984 deficiency letter. Fifteen copies are provided for your distribution to other participating regulatory agencies.

The amendment should be considered as a part of our total Mining and Reclamation Plan submittal and should be inserted in Volume 8, behind previously submitted amendments. In cases where this latest submittal conflicts with previously submitted information, this latest information applies.

We truly hope this latest addition to our Mining and Reclamation Plan will complete information requirements necessary for permit approval. Please call me, Kerry Frame, or Wess Sorensen if we can be of further assistance.

Sincerely,  
SOUTHERN UTAH FUEL COMPANY
