TO: Coal File, Inspection and Enforcement File  
FROM: Barton D. Kale, Mining Field Specialist *BOK*  
RE: Southern Utah Fuel Company, Convulsion Canyon Mine,  
ACT/041/002, #7, Sevier County, Utah

A partial inspection was attempted on July 18, 1985 by Barton Kale. The inspector planned to hike to the breakouts for the above-mentioned mine site. The weather was such that after driving to the appropriate site, it was not wise to continue descending into the canyon. Intermittent rain throughout the afternoon prevented any further attempts.
