Mr. Allen Klein
Acting Chief of Division
of Federal Programs
1020 15th Street
Brooks Towers
Denver, Colorado 80202

Mr. Klein:

I would like to thank you and your staff for giving me an opportunity to review the Environmental Assessment (EA) and supporting documentation for the Mine Reclamation Plan for the Coastal States Energy Southern Utah Fuel Company (SUFCo) Mine. After review of the EA and supporting documentation, I feel that our concerns on subsidence, Threatened and Endangered Species, cultural resources, and floodplains and wetlands have been adequately addressed.

Sincerely,

J. Kent Taylor
J. KENT TAYLOR
