Dear Mr. Hedberg:

Re: PAP Amendment, Request to Construct New Ventilation Portal,  
Quitcupah Canyon, Southern Utah Fuel Company, Convulsion Canyon  
Mine, ACT/041/002-87b, Folder #2, Sevier County, Utah

Thank you for your December 3, 1987 letter and the information concerning the above captioned proposal.

The proposed portal is located on fee land within the boundary of the Manti-LaSal National Forest. It will be only remotely visible from a limited area of the Fishlake and, we see no problems associated with having it constructed. We see no problems with the possibility of future fan installation either.

Thanks again, we appreciate the opportunity to comment.

Sincerely,

*J. Kent Taylor*
