Re: Coastal States Energy Company
Bond No. 96-94-84
Reclamation Bond - estimated 27.79 acres of land
affected by this mining operation

We have been in-formed that our bond has been replaced by another Surety.

The "anniversary" of this bond was April 1, 1987 and the new bond was to have replaced our bond on that date.

We would appreciate your confirming that liability on our bond terminated on the above date.

If you are unable to do so due to replacement, this letter is to serve as our notice of cancellation on our bond after the expiration of ---- days from your receipt of this request, or the proper number of days as required by your regulations.
