Dear Mr. Hedberg:

The Utah State Historic Preservation Office has received for consideration the above referenced project. Following a review by our staff, we can concur with the finding that there are no known cultural resources eligible for the National Register within the project area. It is our understanding of federal regulation 36 CFR 800 that when the lead agency and SHPO are in concurrence that there are no known cultural resources, the 106 process has been completed.

The above is provided on request as outlined by 36 CFR 800 or Utah Code, Title 63-18-37. If you have questions or need additional assistance, please contact David Schirer at (801) 533-7039, or 533-6017.

Sincerely,

A. Kent Powell
Deputy State Historic
Preservation Officer
