RE: Updated Surface Facilities Maps for SUFCo Mining and Reclamation Plan

Please find enclosed fourteen copies of Southern Utah Fuel Company's East Spring Canyon Surface Facilities Location maps. These maps will replace sheet 1 of 3 and sheet 2 of 3 in the map section of Volume 3 of our Mining and Reclamation Plan.

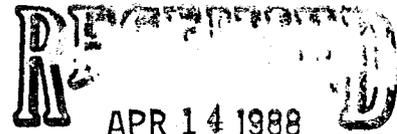

These maps were updated to show the location of the topsoil storage pile and the temporary coal storage or mine development waste storage area on our permit area.

Sincerely,  
SOUTHERN UTAH FUEL COMPANY
