Dear Mr. Payne:

Re: Final Approval of PAP Amendment, Topsoil Protection Plan,
Southern Utah Fuel Company, Convulsion Canyon Mine,
ACT/041/002-88(A), Folder 3, Sevier County, Utah

The Division received Southern Utah Fuel Company's response for the amended topsoil protection plan on March 31 and April 14, 1988. The plans were reviewed by James Leatherwood, Reclamation Soils Specialist of the Division technical staff.

This letter will serve as the Division's final approval for this permit change application. Southern Utah Fuel Company has now adequately addressed all of the conditions required by this office to finalize this permitting action. Thank you for your cooperation and prompt response in completing this permitting action.

Sincerely,

Susan C. Linner
