Re: Notification of Permit Approval, Coastal States Energy Company,
Convulsion Canyon Mine, Waste Rock Disposal Site, ACT/041/002,
Folder No. 3, Sevier County, Utah

The Utah Division of Oil, Gas and Mining (Division) is granting approval and issuing a revised mining permit to Coastal States Energy Company for their Waste Rock Disposal Site. The Division has determined that the permit application is technically complete and demonstrates compliance with all the "Regulations Pertaining to Surface Effects of Underground Coal Mining Activities, Final Rules of the Utah Board and Division of Oil, Gas and Mining," promulgated under the Utah Coal Mining Reclamation Act (Utah Code Annotated 1953, Section 40-10-1 et seq).

Notice is hereby given to all appropriate agencies and individuals having jurisdiction over, or an interest in the area of the proposed operations, pursuant to UMC 786.23(d)(e)(f), that a permit has been issued to said permittee.

This permit authorizes the permittee, Coastal States Energy Company, to conduct surface operations connected with underground mining activities on the described lands within the permit area at the Waste Rock Disposal Site situated in the state of Utah, County of Sevier, subject to the terms of the approved Mining and Reclamation Plan, this permit, and all applicable laws and regulations. The lands included in this permit are described as follows:

Page 2
Permit Approval
ACT/041/002
September 26, 1988

Township 22 South, Range 4 East, SLBM

Section: NW 1/4 NE 1/4

Individuals wishing to review the complete plan and decision documents, or submit comments in response to this decision and notice, should direct written requests to the Division.

Sincerely,

Lowell P. Braxton
Administrator
Mineral Resource Development
and Reclamation Program
