Dear Mr. Haddock:

Enclosed are 12 copies of Map 83-5 showing the minesite sedimentation pond as-built configuration after modifications were made to get additional storage volume for the substation pad.

Please replace Map 83-5 in Volume 8 of Southern Utah Fuel Company's MRP with the revised Map 83-5 dated 9-20-91. This map also contains the certification statement for the pond volume.

Sincerely,  
SOUTHERN UTAH FUEL COMPANY
