Dear Mr. Braxton: *Howell*

Enclosed are fourteen copies of the revised Facilities Location Map number 80-4D. The changes requested in Mr. Haddock's November 7, 1991 letter have been made to the map. Please realize this is a "patch" type map for the existing M&RP and will be included in the renewal M&RP that will be submitted in January 1992.

This new map is to be inserted in Volume 3 of Southern Utah Fuel Company's Mine and Reclamation Plan, in the map section behind Map 80-4C. Copies are provided for your distribution to other participating regulatory agencies.

Sincerely,
SOUTHERN UTAH FUEL COMPANY

Ken Payne,
Vice President and General Manager
