Plate 5-2B has been revised as discussed in a meeting held December 9, 1992 between Wayne Western, yourself and Wess Sorensen to clearly delineate the disturbed area and the permit areas. Page 1-17, Volume 1 of the M&RP has been revised to include the disturbed area of the sediment pond access road approach and the total permit acreage.

Please approve this update and distribute the required copies to current plan holders.

Sincerely,
