Dear Mr. Payne:

Re: Extension Approval, Southern Utah Fuel Company, Convulsion Canyon Mine,
ACT/041/002, Folder #3, Sevier County, Utah

This letter is in response to your letter dated September 2, 1992. By this time you should have received the administrative review of your August 19th submittal. It was sent from our offices on September 2nd. Please call if you did not receive it.

We recognize the need for additional time to respond to deficiencies brought up during your permit renewal and expounded upon in the administrative review. The Division hereby approves your request of an extension to October 8, 1992 to respond to the deficiencies. Please make every effort to comply with this new schedule.

Thank you for your cooperation during the permitting process.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
