Dear Mr. Payne:

Re: Final Approval, Mining Beneath Escarpment Amendment, Southern Utah Fuel Company, Convulsion Canyon Mine, ACT/041/002-92D, Folder #3, Sevier County, Utah

The submittal received on March 25, 1992 regarding the above noted permitting action was reviewed and found to be complete and adequate by the Division's technical staff. The Manti-La Sal National Forest also reviewed your amendment and completed an EA and Finding of No Significant Impact for the proposed action.

The Division hereby approves your request to undermine a section of escarpment on the east side of Quitchupah Canyon with the condition that you follow the Forest Service stipulations as outlined in Appendix A of the EA. Thank you for your cooperation during the permitting process.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock". The signature is fluid and cursive.
