Dear Mr. Payne:

Re: Remaining Deficiencies in Renewal Application, Coastal States Energy Company,
Convulsion Canyon Mine, ACT/041/002-DO92A, Folder #3, Sevier County, Utah

The Division has completed a review of your responses to deficiencies noted in your renewal application. A large number of the deficiencies have been satisfied, however, there still remain a number of deficiencies that have not been responded to adequately. The enclosed technical review memos discuss some of the remaining problems. Please review them and correct the remaining deficiencies by no later than March 24, 1993.

Thank you for your help in completing the permitting process. Please call me or the corresponding reviewer if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
