Dear Mr. Hagen:

Re: United States as Co-Payee on Bonding Documents, Southern Utah Fuel Company, Convulsion Canyon Mine, ACT/041/002, Folder #2, Sevier County, Utah

This letter is in response to your letter dated April 13, 1993, wherein you requested corrected bond documents for the Convulsion Canyon Mine. In your letter you indicate that the last random sample inspection conducted by AFO reviewed the bonding documents and that the bond did not include the United States as co-payee.

It is unclear what bonding documents were reviewed by AFO during the oversight inspection, but apparently the documents on file with the Division were not reviewed. Enclosed for your records is the Convulsion Canyon Bond which clearly lists U. S. Department of Interior, Office of Surface Mining Reclamation and Enforcement (OSM) as a co-payee. The enclosed rider, while it does not replace the bond, also provides the language required by our Cooperative Agreement, Article IX, Bonds, part A.

Hopefully the enclosed copies provide you the information you requested. Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lowell P. Braxton'.
