Dear Sir:

Enclosed please find twelve copies of the third revision to Southern Utah Fuel Company's exploration amendment to our Mining and Reclamation Plan originally submitted August 25, 1993. This revision incorporates the changes the UDOGM requested in our telephone conversation on June 2, 1994. It is our understanding that this revision satisfactorily addresses all of the UDOGM's concerns and that any future concerns may come from the U.S. Forest Service.

Please let us know if you have any questions.

Sincerely,
SOUTHERN UTAH FUEL COMPANY

Kenneth E. May
