ACT/041/002-94B, Folder #2, Sevier County, Utah

Dear Mr. May:

The Division is commencing the midterm review for the Convulsion Canyon Mine. The topics that will be reviewed for this midterm are: disturbed area maps, the reclamation plan, bond calculations, and reaffirming the permitting status of the Levan loadout, i.e. that the loadout does not require a permit. The Division will notify you upon completion of this review, i.e. about February 1, 1995.

If you have any questions, please call me.

Sincerely,
