RE: Exploration Plan, Southern Utah Fuel Company, Convulsion Canyon Mine, ACT/041/002, Folder #2, Sevier County, Utah

I am forwarding the enclosed exploration plan for SUFCO's Convulsion Canyon Mine for the boreholes designated as #97-24-1, #97-17-1, and #97-13-1. I have reviewed same and have documented my comments for Mr. Chris Kravitz. These are included for review/additional comment by whoever is instructed to review this from the Salt Lake Office.

Please assign or ask Mr. Daron Haddock to assign individuals to review this plan (Mr. Paul Baker and Mr. Mike Suflita were on the original inspection of these three sites) and document their thoughts such that the DOGM review of same may be finalized. The USFS is the lead here; I have forwarded a copy of my thoughts to Mr. Jeff DeFreest of the USFS.

Thanks for your help.
