Re: Changes to the Link Canyon Substation Proposal, Canyon Fuel Company, LLC, SUFCO Mine, ACT/041/002-98A, Folder #2, Sevier County, Utah

Dear Ms. Kaiser:

The Forest Service previously commented on plans that Canyon Fuel Company has for building a new substation in Link Canyon. Due to unforeseen circumstances, Canyon Fuel has now changed the proposal slightly. There will no longer be a portal breakout, but the substation pad area will increase in size. We are forwarding two copies of their revised plans to you for your review. Could you please provide your comments and concurrence on this revised action.

If you have any questions on this plan change, please call me (801) 538-5325 or Pete Hess at (435) 637-2120 ext. 5622.

Sincerely,
