RE: Figure 1 Replacement for Canyon Fuels Submittal

Dear Daron:

As you know, we mistakenly put an incorrect Figure 1 in our soils report that was provided to Canyon Fuels and then went to the Division. Therefore, please *replace* the "Figure 1: Vegetation Types" with "Figure 1: Soil Types" in the following report by Mt. Nebo Scientific, Inc.:

SOILS REPORT
FOR THE
PINES TRACT PROJECT
(Revised)

Thank you for your help.

Sincerely,

Patrick D. Collins, Ph.D.
