Re: Notice of Intent to Conduct Minor Coal Exploration

Dear Permit Supervisor:

EX99F

Attached are DOGM change forms C-1 and C-2 and the Notice of Intent to Conduct Minor Coal Exploration. The exploration is proposed for the School and Institutional Trust Lands Administration (SITLA) Muddy Tract in the year 2001. The type of exploration proposed is drilling. Please note that the SITLA Muddy Tract is not a part of SUFCO's current mine permit area.

Enclosed are eight copies of the change forms and four copies of the notice. One copy of the notice was given to our local mine inspector Peter Hess. If you have any questions, please contact me at (435) 637-4880.

Sincerely,  
ARK LAND COMPANY
