Re: 150 Acre Incidental Boundary Change as Revised, Canyon Fuel Company, LLC, SUFCO Mine, ACT/041/002-98-2, Folder #2, Sevier County, Utah

Dear Ms. Kaiser and Mssr. Manus:

The Division has been reviewing for a number of months, a proposal by Canyon Fuel Company to add 150 acres to their permit as an Incidental Boundary Change. On May 20, 1999 we received revised plans for this application. Again on July 16, 1999 we received some additional information that supplements what was previously submitted. We are forwarding copies of the updated plans to you for your review. We anticipate completing our review of this latest proposal by August 16, 1999. Could you please provide your comments/concurrence on this revised action by that date.

If you have any questions on this plan change, please call me (801) 538-5325 or Paul Baker at (801) 538-5261.

Sincerely,
