Dear Mr. May:

Thank you for responding to our August 2, 1999 letter granting conditional approval of your application to add 160 acres to your permit area. The conditions have now been satisfied and we have revised the permit accordingly.

Enclosed are two (2) copies of the revised permanent program mining and reclamation permit which includes the 160 acre Right of Way. Please read the permit to be sure you understand the requirements, then have both copies signed by the appropriate Canyon Fuel Company representative and return one to the Division.

We have also enclosed a copy of the plan changes which are stamped "incorporated" for your copy of the Mining and Reclamation Plan.

If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lowell'.
