Re: Incomplete Application for Pines Tract Revision, Canyon Fuel Company, LLC, SUFCO Mine, ACT/041/002-SR99D, Folder #2, Sevier County, Utah

Dear Mr. May:

The Division has completed an administrative review of your application to add the Pines Tract to the SUFCO Mine permit. Your application contains some deficiencies that will need to be corrected before we can determine it to be administratively complete. A copy of our Administrative Review Worksheet is enclosed which identifies the areas that need additional information. Please review it carefully. You will need to address the identified items before we can make a determination of completeness. In order for us to keep this in our review process, please provide the required information by October 18, 1999.

If you have any questions, please don't hesitate to call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
