RE: Fourth Quarter 1999 Water Monitoring Report for the SUFCo Mine

ACT/04/002
INCOMING

Dear Mr. Haddock:

As required by the SUFCo Mining and Reclamation Plan, the results of the 1999 Fourth Quarter water monitoring effort are being hereby reported. This report includes additional springs and stream measurements as a result of the approval of the 150 acre IBC. Additional field data sheets prepared by Mayo and Associates and Canyon Fuel are included for the new monitoring sites. If you have questions regarding this report, please contact either Mike Davis at (435) 286-4421 or me at (435) 448-2669. It is our intent to begin submitting the water monitoring data electronically as soon as possible.

Sincerely,

Chris D. Hansen
