Re: Copies of the Link Canyon Substation #2 Submittal, Canyon Fuel Company, LLC, SUFCO Mine, ACT/041/002-AM99G, Outgoing File

Dear Mr. Walters:

As you are aware the Division has been reviewing the Link Canyon Substation #2 amendment made by Canyon Fuel Company. We have received some comments from the Forest Service and have incorporated them into our review. However, our records are unclear as to how much information was provided to you and we want to make sure that you have the latest version of Canyon Fuel's amendment. Therefore, we are enclosing two copies of the latest version of the entire submittal. We hope these will aid you in completing your review and look forward to your concurrence on this project.

If you have any questions please call.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
