RE: Determination of Administrative Completeness for Permit Renewal, Canyon Fuel Company, LLC, SUFCO Mine, C/041/002-RN02, Outgoing Folder

Dear Ms. Wright:

This responds to your letter of March 5, 2002 regarding the subject project. We have no comments on the renewal, as proposed. We understand that SUFCO is proposing to expand their operations and that the appropriate NEPA analysis is underway. Should project plans change or if additional information becomes available we may choose to provide comments in the future.

We appreciate the opportunity to provide these comments. If you need further assistance, please contact Diana Whittington, Ecologist, at the letterhead address or (801) 975-3330 ext. 128

Sincerely,

Henry R. Maddux  
Utah Field Supervisor
