RE: Sufco Muddy Drilling Project, Complete Copies of the Manti LaSal BE and BA.

Dear Ms. Grubaugh-Littig:

Please find enclosed with this letter 7 copies of the Manti-LaSal BE and BA for the 2002 Muddy Tract Coal Exploration Project. Apparently the original submittal contained only every other page of text from these two documents. This was brought to my attention by Susan White of your staff. The seven copies are ready for insertion into the original applications.

If you have any questions regarding this information, please give me a call at (435) 448-2633.

Sincerely:

Mark Bunnell  
Senior Geologist
