Re: Second Submittal - Mine Plan Update M&RP Permit Amendment, Canyon Fuel Company, LLC,
SUFCO Mine C/041/002

Dear Permit Supervisor:

From our meeting with the Division on August 1, 2003 and the request for more information on the impacts of subsidence on the springs and stream from the adjacent area that has been already subsided. The enclosed eight copies of materials are being submitted to update the Mine Plan Update M&RP Permit Amendment originally submitted on July 30, 2003. Attached are DOGM forms C-1 and C-2 and appropriate pages.

These new additions or replacement pages have been revised to provide more detail for the spring and stream monitoring from adjacent areas that have been impacted by subsided, and need to be included in the original submittal binder submitted on July 30, 2003.

If you have any questions or need additional information, please contact Chris Hansen at (435) 448-2669 or Mike Davis at (435) 286-4421.

Sincerely,
CANYON FUEL COMPANY, LLC
