Re: Third Submittal - Mine Plan Update M&RP Permit Amendment, Canyon Fuel Company, LLC, SUFCO Mine C/041/002

Dear Permit Supervisor:

From a phone conversation with Dave Darby of the Division, this letter is being submitted to help clarify the original amendment cover letter submitted on July 30, 2003. The original submittal was intended, as was shown on Plate 5-7 'Upper Hiawatha Mine Plan - 5 Year Projection', to request approval for undermining the perennial stream in both the 3LPE and 4LPE panels in the East Fork of Box Canyon. The BLM Approval of Mining Underneath Box Canyon in the 3rd and 4th Left Panel letter and Worksheet Documentation of Land Use Plan Conformance and NEPA Adequacy (DNA) both also covered undermining both these panels.

If you have any questions or need additional information, please contact Chris Hansen at (435) 448-2669 or Mike Davis at (435) 286-4421.

Sincerely,
