Mr. Ken May, General Manager
Canyon Fuel Company, LLC
397 South 800 West
Salina, Utah 84654

Dear Mr. May:

Re: Approval of Abandoned Mining Equipment-2LPE. Canyon Fuel Company, LLC, SUFCO Mine, C/041/0002, Task ID #1653, Outgoing File

The amendment to the SUFCO Mine mining and reclamation plan, which proposed to abandon a longwall face conveyor tail gate drive and the fifty-two pan line sections in the gate road areas designated as 1 Left Pines East and 2 Left Pines East, is approved. Clean copies of the revisions to the various areas of Chapter 7, Hydrology of Volume 2 of the SUFCO Mine mining and reclamation plan were received as part of the initial submittal on August 19, 2003. Enclosed is a stamped incorporated copy for insertion into your Mining and Reclamation Plan.

Those federal agencies that received the amendment during the review process can simply incorporate it into their existing copy of the Mining and Reclamation Plan.

Please be advised that **upon completion of the storage/abandonment of the pan line sections and tailgate drive, the permittee must provide an "as-built" FIGURE 7-7, which is certified by a Utah registered professional engineer for Division records.** This "as-built" information will become part of the mining and reclamation plan record.

The Manti LaSal National Forest has concurred with the decision of this TA in an email to DOGM dated September 5, 2003.

If you have any questions, please call Peter Hess at (435) 613-5622, or me at (801) 538-5325.

Sincerely,

Daron Haddock
Permit Supervisor
