Subject: Request for SUFCO Muddy Tract application

Tom and Dale,

Here is a new weblink to access an electronic copy of SUFCO's Muddy Tract permit application (task #2157). Sorry, the temporary link I sent to you on Friday was removed/overwritten when the main server replicated itself over the weekend. I think we have the problem fixed now and you should be able to access the information at the attached link. If you have trouble accessing the information please contact me (538-5286) or Sheila Morrison (538-5289).

Thanks,
Wayne
