**Subject:** RE: 2006 SUFCO / SITLA Muddy Tract Minor Coal Exploration

Pete:

I think Tom is very close to having the Special Use Permit signed. The bond had to be increased and that was completed yesterday. For your records, the extension of the road use permit is attached.

Other than the Special Use Permit and Road Use Permit is there anything else you need before you can finish up?

Thanks,

Mark

Tom / Mark...

Could some one update me on where we are on this ? I would like to have everything in place in our shop as soon as the USFS gives all their required approvals. I have not heard a word from any one....HEL.....PPPPPPPP !!!

Mark Bunnell  
Geologist  
Ark Land Company c/o Canyon Fuel Co.  
HC35 Box 380  
Helper, UT 84526

Dear Mr. Bunnell:

This letter is in response to your request for modification and extension of Road Use Permit (RUP) # 0410-02-8 for commercial use of National Forest System Roads (NFSR) on the Manti-La Sal National Forest. The following roads and road segments are hereby added to the permit:

50044 (Link Canyon) westerly and northerly from the end of currently permitted segment to the intersection with NFSR 52006 a distance of 0.81 miles.

52006 (Muddy Creek Knoll) from the intersection of NFSR 50044 northerly to the intersection with NFSR 52007 a distance of 0.75 miles

52007 (Muddy Forks Overlook) from the intersection of NFSR 52006 northerly for a distance of approximately 0.22 miles.

This letter also extends the termination date of the permit to October 31, 2006. Please note that part 6 of the RUP assigns recurrent maintenance responsibilities to Canyon Fuel Co. including dust control measures.

If you have any questions please contact Jeff Alexander at this office.

Sincerely,

*/s/ Alice B. Carlton*  
ALICE B. CARLTON
