Subject: Final Approval of Office Bath House Expansion, Canyon Fuel Company, LLC, SUFCO Mine, C/041/0002, Task ID #2522, Outgoing File

Dear Mr. May:

The above referenced amendment to your mining and reclamation plan to expand the bathhouse/change room facilities at the SUFCO Mine is approved, effective May 17, 2006. Please proceed with your bathhouse expansion plans.

The original submittal, which was made May 16, 2006, has been reviewed by the Division and no deficiencies were identified. Since, eight clean copies were submitted, no further action is required from Canyon Fuel Company. A stamped incorporated copy is included for insertion into the mine's copy of the MRP.

The Division has determined that an update of the Master Technical Analysis for the SUFCO Mine is not needed for this permit revision.

Thank you for completing this permitting action. If you have any questions, please call me at (801) 538-5268, or Peter Hess, team lead at (435) 613-1146, Ext. 203. Thank you.

Sincerely,

Pamela Grubaugh-Littig
