Subject: Re: SUFCO, New Sedimentation Overflow Pond, Task ID #3370

I have looked at the material resubmitted on August 26, 2009 by Canyon Fuel Company for the sedimentation overflow pond amendment. There is sufficient information to approve the IR and allow the technical review to begin.

>>> Suzanne Steab 9/9/2009 7:06 AM >>>
Dave,

The IR is due on this amendment on 9/11...will you please do today cuz the 11th is Friday and I am off tomorrow...Thanks!

I think April has already looked at this one...

Suzanne
