Re: Extension for updates to Reclamation Agreement

Dear Permit Supervisor:

This letter is being sent to request an extension to update the Reclamation Agreement as requested in the mid term permit review.

Sufco is still working through the bond reduction process with the bonding companies and would like to request an extension date of June 1st, 2010 to submit the updated Reclamation Agreement. This is the same date as the other midterm review items will be submitted to the Division.

If you have any questions or need additional information, please contact Leland Roberts at (435) 286-4483.

Sincerely,
CANYON FUEL COMPANY, LLC
