Re: Reclamation Agreement, Canyon Fuel Company, LLC, Sufco Mine, Permit Number C/041/0002

Dear Daron:

Sufco Mine (Sufco) respectfully submits this letter to the Utah Division of Oil, Gas and Mining to request an additional 14 days beyond the June 1, 2010 due date for the updated Reclamation Agreement between the Division and Sufco. The mine is updating the approved disturbed acreage and permit area description in the agreement as well as the new reclamation bond information. The mine felt it was prudent to do both at this time rather than submit two agreements at two different times. The updated agreement will also contain correct bond holder names and addresses, current corporate ownership information as needed in the agreement, and the proper signatures by current corporate officers.

If you have any questions or need additional information, please contact Mike Davis at (435) 286-4421 or Leland Roberts at (435) 286-4483.

Sincerely,
CANYON FUEL COMPANY, LLC
