Subject: Conditional Approval of New Portals, SUFCO Mine, C/041/0002, Task ID #3548,
Outgoing File

Dear Mr. May:

On June 7, 2010, the Division received the application from SUFCO to add an additional three portals to the East Spring Canyon mine yard. The submittal included MRP updates, such as text changes, updated tables and maps and adjustments to the bond calculations. The task is conditionally approved upon receipt of 8 clean copies prepared for incorporation. Please submit these copies by July 21, 2010. Once we receive these copies, final approval will be granted and the midterm review will be completed.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification will necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5262 or April Abate at (801) 538-5214.

Sincerely,

James D. Smith
Permit Supervisor
