Hello,

Just sending you a reminder that the Sufco permit is coming due to expire on May 21, 2012. If you are planning to renew the permit you should submit an application for renewal at least 120 days in advance of the expiration date (See R645-303-232.100). This means you should submit an application by January 21, 2012. The requirements for a renewal application are found at R645-303-230. Please call Daron Haddock at (801)538-5325 if you have any questions.

Thanks!
