Lady and Gentlemen;

Due to the delay in issuing the approval of the 20-acre expansion to BLM Lease SL-062583 we are withdrawing the amendment to add the area to our DOGM permit, see the attached letter.

Mark Bunnell will be at the Division Building tomorrow (Thursday) and can pick the amendment up if that would be convenient for you, if not returning it by mail is fine.

Any questions, please call me. Thanks, Vicky (435) 286-4481

Re: Withdrawal of 20-Acre Federal Lease SL-062583 Expansion Amendment, Canyon Fuel Company, LLC, Sufco Mine, Permit Number C/041/0002

Dear Permit Supervisor:

Due to a delay in the approval process for the lease expansion by the Forest Service and in turn the BLM the mine has revised their mine plan to eliminate the need for the twenty acres and will develop the necessary entries within the existing lease boundary. Sufco Mine is therefore requesting the withdrawal of the 20-Acre Federal Lease SL-062583 Expansion amendment.

We appreciate your taking the time to review this amendment and apologize for any inconvenience it may have caused.

If you have any questions regarding the information contained in this letter, please call Vicky Miller at (435) 286-4481.

Sincerely,
CANYON FUEL COMPANY, LLC
