Coal Logical Mining Unit Bond Period of Liability Terminated

On May 3, 2000, a bond covering the SUFCO Federal coal logical mining unit (LMU), UTU-73341, with Canyon Fuel Company, LLC., as principal, and St. Paul Fire and Marine Insurance Company, as surety, was accepted by this office. A replacement bond, in the same amount, was filed in this office on September 27, 2012, and accepted by this office on March 6, 2013. On September 27, 2012, a request was made to terminate the period of liability of this following listed bond covering this Federal coal logical mining unit:

<u>Coal Logical Mining Unit Serial Number</u>	<u>Surety Bond Number</u>	<u>Bond Amount</u>
UTU-73341	400SA1542	\$1,600,000

The Bureau of Land Management (BLM) Price Field Office by a memorandum dated January 27, 2014, determined that a LMU bond accepted on January 13, 2014, adequately covers the bond liabilities on this LMU. Therefore, the period of liability of the above noted bond may be terminated effective the date of receipt of the replacement bond, September 27, 2012.

If you have further questions, please contact Bill Buge of this office at (801) 539-4086.
