Modified as follows:

If the information in Volume 3, Part 2 on page 2-9, paragraph 2 of the MRP has not changed then it does not need to be included in the abatement plans for this notice of violation. Maps clearly showing where the topsoil will be removed from and where it will be placed are still required in addition to the correct text.

Reason for modification:

Further review of Volume 3 of the MRP indicated that there was another section (page 2-9) in part 2 in addition to that on page 2-1 of part 2 that further described the soils activities at the waste rock site.
