Modified as follows:

Reason for modification:

Terminated because:

Vacated because:

During a Division Partial Inspection on December 17, 2014 it was noted that a sign is displayed on the pump house building at the Overflow Sediment Pond. The sign appears new, but the zip ties appeared weathered. Upon questioning Vicky Miller (SUFCO) she indicated the sign was there prior to issuance of the violation. This sign would cover access on the East of the gate entering the Overflow Sediment Pond on SR24. There already was a sign located up canyon on the West side of the entrance into the Overflow Sediment Pond SR24
