Good morning Vicky,

Your request for an extension is approved. Your e-mail will suffice. We'll go ahead and revise the due date to April 10th, 2015. I pushed the due date out so as to allow you and Cheryl time to sit down and go over the cost information prior to re-submitting.

If you have any questions, please let me know.

Regards,
Steve

Steve,

Sufco would like to request an extension of the due date for Task ID #4774. We are in the process of acquiring a copy of the 2014 Means Cost Data to enable us to address the deficiencies associated with this bonding task. We would like to extend the submittal date to March 31, 2015. Please let us know if you need a letter or if this e-mail request is sufficient.

Thanks, Vicky
