Dear Interested Public Land User,

DIV. OF OIL, GAS & MINING

The Final Supplemental Environmental Impact Statement (SEIS) for Leasing and Underground Mining of the Greens Hollow Federal Coal Lease Tract UTU-84102 has been completed and is available for your review. This document was prepared by the Bureau of Land Management (BLM) and Forest Service (FS) as co-lead preparers with the Office of Surface Mining participating as a cooperating agency. The FS has also prepared their draft Record of Decision (ROD) to "Consent with Stipulations to the BLM Offering for Lease Greens Hollow Federal Coal Lease Tract UTU-84102." This notice is being mailed to you because you have previously requested to be included on the project mailing list or have submitted specific written comments related to the project.

The draft ROD discloses the Forest Supervisors for the Manti-La Sal and Fishlake National Forests intent to Consent with Stipulations to the BLM Offering for Lease Greens Hollow Federal Coal Lease Tract UTU-84102 for competitive leasing with stipulations for the protection of non-mineral resources as described in Alternative 3 of the Final SEIS. The Green's Hollow tract is located on the Ferron-Price District of the Manti-La Sal National Forest and the Richfield District of the Fishlake National Forest in Sanpete and Sevier Counties, Utah.

The Responsible Officials who will issue a decision on this project are the Forest Supervisors of the Fishlake and Manti-La Sal National Forests. Copies of the draft ROD, Final SEIS, and additional information regarding this proposed project can be obtained from: Tom Lloyd, 599 West Price River Drive, 435-636-3595, email twlloyd@fs.fed.us; or Rob Hamilton, 115 East 900 North, Richfield, UT 84701, (435) 896-9233, e-mail rhamilton@fs.fed.us. They can also be obtained on the web at <http://go.usa.gov/hkGk>.

This proposed project is subject to the objection process pursuant to 36 CFR 218 Subpart B.

Eligibility to File Objections

Objections will be accepted only from those who have previously submitted specific written comments regarding the proposed project either during scoping or other designated opportunities for public comment in accordance with § 218.5(a). Issues raised in objections must be based on previously submitted timely, specific written comments regarding the proposed project unless based on new information arising after designated opportunities.

Individual members of organizations must have submitted their own comments to meet the requirements of eligibility as an individual, objections received on behalf of an organization are considered as those of the organization only. If an objection is submitted on behalf of a number of individuals or organizations, each individual or organization listed must meet the eligibility requirement of having previously submitted comments on the project (§ 218.7). Names and addresses of objectors will become part of the public record.

Contents of an Objection

Incorporation of documents by reference in the objection is permitted only as provided for at § 218.8(b). Minimum content requirements of an objection are identified in § 218.8(d) include:

- Objector's name and address with a telephone number if available; with signature or other verification of authorship supplied upon request;
- Identification of the lead objector when multiple names are listed, along with verification upon request;
- Name of project, name and title of the responsible official, national forest/ranger district where project is located, and
- Sufficient narrative description of those aspects of the proposed project objected to, specific issues related to the project, how environmental law, regulation, or policy would be violated, and suggested remedies which would resolve the objection.
- Statement demonstrating the connection between prior specific written comments on this project and the content of the objection, unless the objection issue arose after the designated opportunity(ies) for comment.

Filing an Objection

The Reviewing Officer is the Regional Forester. Written objections, including any attachments, must be addressed: *Objection Reviewing Officer, Intermountain Region USFS, 324 25th Street, Ogden, Utah 84401; or fax to 801-625-5277* within 45 days following the publication date of this legal notice in the newspaper of record, the *Sun Advocate* which occurred on March 3, 2015. The office business hours for those submitting hand-delivered objections are: 8:00 AM to 4:30 PM Monday through Friday, excluding holidays. Electronic objections must be submitted in a format such as an email message, pdf, plain text (.txt), rich text format (.rtf), and Word (.doc or .docx) to: objections-intermtn-regional-office@fs.fed.us. It is the responsibility of Objectors to ensure their objection is received in a timely manner (§ 218.9).

The publication date in the *Sun Advocate* is the exclusive means for calculating the time to file an objection of this project. Those wishing to object to this proposed project should not rely upon dates or timeframe information provided by any other sources. Extensions of the objection period are not permitted (§ 218.6).

When the objection filing period has ended and responses have been made to all objections by the reviewing officer, the responsible official may make a final decision on the proposed project. The reviewing officer shall issue a written response to objectors within 45 days following the end of this objection-filing period (this may also be extended by the reviewing officer up to 30 days) (§ 218.26).

Sincerely,

ALLEN ROWLEY
Forest Supervisor
