Hello Kirk,

We received a comment from someone trying to locate a copy of the North lease application at the Kane county courthouse (unsuccessfully).

Both your North lease and permit renewal applications need to be on file at the courthouse during the public comment period (per the public notice rule R645-300-121.200). If you have not placed the applications at the Kane County courthouse, please do so ASAP.

If you have already placed copies there, apparently the Clerk's office staff does not know where to find them. So you should contact Karla Johnson Kane Co. Clerk, [435-644-2458](tel:435-644-2458), to remind her (and the Clerk's staff) of when and where the information was placed.

Thanks,
